

# Help Bring Change!

## A Restored Icon. A Reimagined Gateway.

This property was an iconic Gateway to “the new Charlotte” when constructed in the 60’s. It was the first high-rise constructed outside of Charlotte’s downtown/uptown area. Today, this is a gateway to Uptown and East Charlotte and is one of the most visible and blighted properties on the Independence and Albemarle corridors. Charlotte-based organization “Our Local” believes in East Charlotte and is bringing over 8 million dollars of private investment into the community to redevelop this property into the modern and iconic gateway that the community deserves.
